The audit your agency can put its name on.

Six representative Shopify pages, reviewed against WCAG 2.2 AA. Your logo, your client, your margin. No direct client contact, no subscription, no widget.

NET FEE	SCOPE	TURNAROUND	REVISION	RESALE
USD 450	6 pages / 56 A/AA criteria	3 business days	1 round / 2 days	USD 600–900

WHAT YOU SEND

— Store URL, theme name, and one link each for home, product and collection.
— Agency logo, brand colour and the name to print on the report.
— Billing entity and the agency's preferred invoice reference.
— One named delivery contact; no admin password, no test order.

WHAT YOUR CLIENT RECEIVES

— White-label PDF and searchable HTML report with your logo and brand colour.
— 6 page types, 56 Level A/AA criteria, 8–20 findings with evidence IDs.
— Fix register with WCAG clause, impact, fix direction, effort and acceptance check.
— One-page client summary, developer tickets and one revision round.
— No mention of A11yLens in the client-facing files unless you want it.

HOW IT RUNS

01 Scope
Send the four inputs. Written scope, fixed fee and start date within 24 h, Mon–Fri.

02 Deposit
USD 225 clears. The three-day clock starts.

03 Audit
Manual DOM, keyboard, contrast, reflow and one screen-reader spot check.

04 Deliver
Your branded PDF + HTML, balance due, then one revision round.

BOUNDARIES

Not a VPAT, ACR, legal opinion or certification. No code fixes, theme reconstruction, admin access or full-site coverage. Screen-reader work is a spot check on product and cart, not a JAWS/NVDA/VoiceOver matrix across all six pages.
